

*Another Great Learning Opportunity at Muscatatuck NWR:*

# **Invasive Species Threaten** **Our Indiana Landscapes!**

- *Why are invasive species such a threat to Southern Indiana?*
- *How do invasive species threaten native plants, birds and wildlife?*
- *Do I have invasive species on my property?*
- *How can I help control invasive species?*
- *What resources are available to help me control invasive species?*

*Learn the answer to these questions – and more*

**When: Saturday, May 30<sup>th</sup>, 2009!**

- **Coffee, Doughnuts and Discussion: 9:00 AM**
- **Morning Indoor Learning Sessions: 9:30 – 11:30 AM**
  - **Why should I care about Invasive Species?**
  - **What's being done at Muscatatuck NWR?**
  - **What can I do – and who can help me?**
- **Children's learning activity over lunch (sandwiches, snacks, and drinks available from Mercy Animal Rescue and Adoption – for small donation)**
- **Afternoon Outdoor Learning Sessions: 12:30 – 2:30 PM**
  - **Invasive Species identification and impacts on native plants and wildlife**
  - **Show and Tell: See results of one control project and see techniques for controlling invasive species**

**Who: Land Owners, Land Managers, Families and Friends!**

**Where: Muscatatuck National Wildlife Refuge in Jackson/Jennings County!**

***Important:***
