

27373 West IL Rt. 176, Wauconda, IL 60084 P (847) 487-6855 F (847) 487-6805

Job Description:

World Wide Farms is seeking a **Quality Assurance Technician** to help uphold and expand our quality and food safety programs and practices.

This role will report to the President and will focus on executing our HACCP plan, upholding our Primus GFSI food safety and USDA certified organic practices, ensuring we provide top quality products to our customers. This is a critical role that serves as the bridge between our production facility and our customers. This role will work closely with the entire Operations and Farming teams at World Wide Farms.

Responsibilities:

- Maintain and update Company Food Safety and USDA organic plans.
- Maintain supplier audit documentation.
- Update customer food safety portals as needed.
- Lead team on proper sanitation techniques.
- Review pre and postproduction documentation.
- Review daily / weekly / monthly logs.
- Conduct QC checks on all incoming products.
- Review outgoing BOL's to ensure traceability is documented and accurate.
- Oversee pest control program and documentation.
- Conduct shelf-life tests and other experiments to improve quality.
- Review chemical inventory logs.
- Manage Environmental Monitoring and water testing programs.
- Develop and manage Company wide food safety training initiatives.

Requirements:

- Bilingual English and Spanish
- Working knowledge of Primus GFSI and produce food safety practices.
- 1-2 years minimum experience with fresh produce.

Our Company is an Equal Opportunity employer. All qualified applicants will receive consideration for employment without regard to race, religion, national origin, age, sex, disability, sexual orientation, marital status, veteran status, gender identity or expression, or any other basis protected by local, state, or federal law.
