Articulation Agreement

Purdue University, West Lafayette And Vincennes University

Vincennes University

INTRODUCTION

The purpose of this Articulation Agreement (this "Agreement") is to provide a framework for the effective transfer of **Vincennes University Natural Resources and Environmental Sciences** students to continue their education at Purdue University West Lafayette ("PWL"). To ensure the smooth transition to **Agricultural Economics** at PWL, the faculty members of both institutions have developed this articulation pathway and course applications with an 8-semester plan of study, in the attached appendix, for students beginning **Fall 2022**.

This Agreement, including any modifications, should be reviewed by the Transfer Institution and PWL (each a "Party" and collectively the "Parties") every five years. Further, it is expected that both institutions will keep This Agreement, including any modifications, should be reviewed by the Transfer Institution and PWL (each a "Party" and collectively the "Parties") every five years. Further, it is expected that each Party will apprise the other of any applicable curriculum changes as they occur. While both Parties to this Agreement understand that its purpose is to maximize the opportunities for students to transfer to PWL, they also recognize that limits may be placed on courses accepted for articulation under the provisions of this Agreement in the event that a student subsequently decides to change to a program not covered by this Agreement. Students who transfer to PWL on the basis of this Agreement may be monitored to observe their progress and performance for the purpose of modifying and improving the educational opportunities of future students.

Typically, a student who transfers to PWL from another institution of higher education through an approved articulation agreement may enter PWL with the same catalog term that was in effect when the student first enrolled at the institution from which the student transferred. Under this Agreement, for the original catalog term of enrollment at the Transfer Institution to apply, students must transfer to PWL within four years (eight semesters) of initial enrollment at the Transfer Institution and complete all coursework at the Transfer Institution as described in this Agreement, including its

appendix. Additionally, for the original catalog term to apply, a student must not have a break of more than two consecutive semesters between transferring to PWL from the Transfer Institution. For more information, see the PWL catalog at: https://catalog.purdue.edu/

This Agreement is limited to the programs listed in the first paragraph. Any other combination of programs requires an amendment or a separate articulation agreement.

AGREEMENT PROVISIONS

- 1. Admission to PWL; Articulation of Credit
 The following requirements apply:
 - a. Complete the Transfer Institution courses/degree (i.e., Associate's Degree, if applicable) as described on the appendix to this Agreement with a cumulative grade point average of at least **2.50**, as well as any specific GPA requirements listed on the appendix.
 - b. Only Transfer Institution courses in which a student has earned a "C-" or higher will transfer to PWL.
 - c. Fulfill the admissions requirements of PWL.
 - d. Admission is not guaranteed.
 - e. Transfer students can be admitted in any term.
 - f. Once admitted to PWL, students are subject to all PWL academic policies.
 - g. Transfer courses do not count in a student's PWL grade point average.

2. Third Party Courses

- a. Courses that are included in the Indiana Core Transfer Library will transfer as equivalent PWL courses.
- b. When courses are completed at a third-party institution, the third party institution's equivalencies with PWL are used.
- c. Transfer courses do not count in a student's PWL grade point average.
- 3. Transfer Institution Obligations:
 - a. Include information about this Agreement in the catalog.
 - b. Provide a counselor/advisor for students in the named Transfer Institution program(s).

c. Maintain a liaison with the designated PWL representative.

4. PWL Obligations:

- a. Make reference to the availability of this Agreement in the PWL electronic catalog.
- b. Provide counselors/advisors for the PWL program(s).
- c. Maintain a liaison with the Transfer Institution.

5. Modification

- a. Modifications to this Agreement may be made by written amendment following consultation between authorized representatives of the Parties.
- b. PWL degree requirements are subject to change. Students and their respective advisors should consult directly with appropriate PWL representatives from the program to which they will apply for current curricular requirements.
- c. Any changes to PWL degree requirements will be communicated to the Transfer Institution and shall require an amendment to this Agreement, which, when executed, shall be submitted to the PWL Office of the Provost and the Transfer Admissions Office.

Natural Resources and Environmental Sciences - Agriculture Concentration 4461, A.S. Transfer

A Two-Year Program Leading to the A.S. Degree

This curriculum leads to an A.S. degree in Natural Resources and Environmental Sciences with a concentration in Agriculture. The agriculture concentration is a cooperative 2 + 2 undergraduate program between Vincennes University and Purdue University. Upon transfer, students can pursue majors such as agronomy, ag economics, ag education, animal science, crop science, entomology, and horticulture. Students with a bachelor's degree in any of these areas have excellent job and graduate school opportunities. The program also transfers well to other universities with Agriculture studies.
